

today i...

**spit up on
someone's
face**

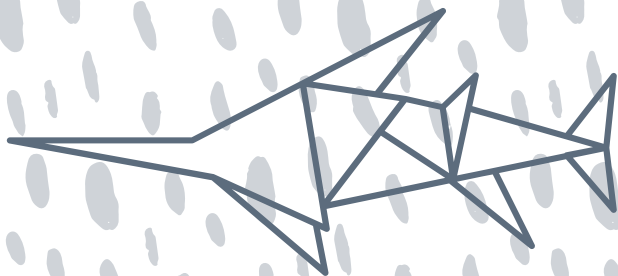

today i...

**had a poop
explosion**

today i...

peed during a diaper change

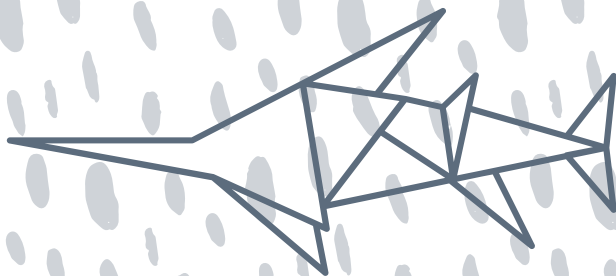

today i...

peed during

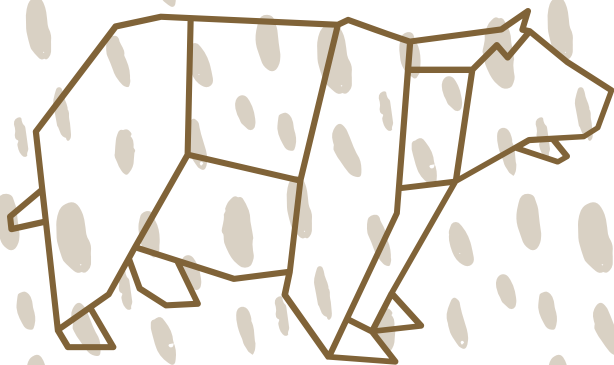

a nappy

change

today i...

bit mama's nipple

today i...

**pulled
mama's
hair**

today i...

**spit up on
mama (and
she didn't
change)**

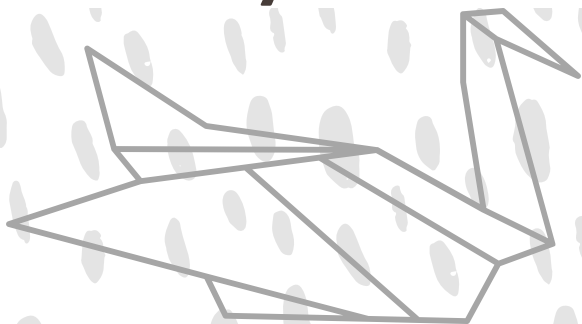

today...

mama

dropped

her phone

on my face

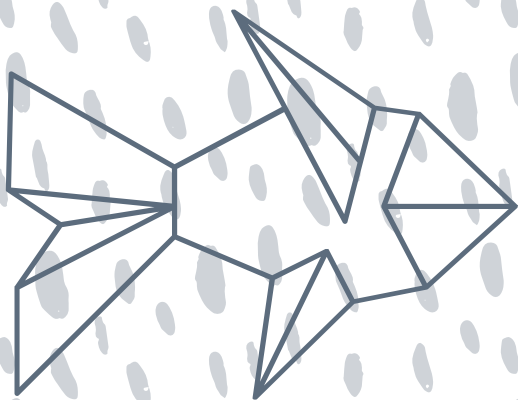

today i....

**peed on my
own face**

today i...

**went all
day without
a map**

today i...

**was up
every two
hours last
night**
